Dick,

While waiting anxiously for your information, I have been going thru my Byerly Branch and came up with the following information. You had said, your grandmother was a Margaret Byerly and the following is all the Margaret Byerly's or the variation of the name Margaret, in my **Byerly Branch** with their birth year :

Margaret Beyerle	1807	
Margaretha Beyerle	1728	
Margaret Byerly		daughter of John George Byerly and Hanna Cort
Margaret Byerly	1842	
Margaret Byerly	1855	
Margaret Elva Byerly	1909	
Margaret Emma Byerly	1865	
Margaret F. Byerly	1879	
Margaret Jane Byerly	1873	
Margaret Mary Byerly	1917	
Margaret Whitney Byerly	1948	
Margaret Campbell Byerly	1949	

The following three Margaret's are in my **Family Tree** :

Margaret Elizabeth Byerly	1951	
Margaret Philopena Byerly		my grandmother. All my records show that her marriage to my grandfather, Tony Hall was her only marriage.
Margery Byerly		Daughter of Luke and Mary Louise Byerly

All of this information is worthless if Margaret is the middle name of your grandmother.

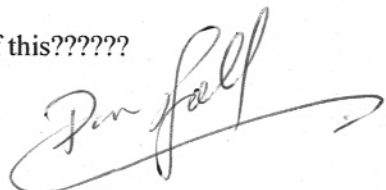

I also thought you had mentioned an ancestor beginning with the letter "O" or maybe 'E'.. Is that correct?? The letter 'O' is the letter I wrote down. If so, the following is a list of the names beginning with the letter "O" in **The Byerly Branch**;

Ohl O'Neil Ossman Otto

The following is the names in **The Family Tree**:

O'Brien Omich Ott Oyer or maybe Eyeror. Or maybe a spelling close to this

Do you recognition any of this???????
